

# Introducing Remote Deposit Services.

## What is Remote Deposit?

Remote Deposit is a service offered by Dime Bank that allows business customers to make deposits electronically from their place of business.

## How does it work?

Using a PC and a special scanner, checks are scanned and then submitted for deposit using Internet based technology.

## What Remote Deposit can do for you:

- Offers speed, convenience and security
- Easy and simple to use
- Checks clear faster
- Eliminates the need to bring checks to the bank
- Deposit preparation is streamlined and accurate
- Centrally monitor deposit activity across multiple locations
- 24/7 availability
